PRING QUEEN S DEPENCE 19.

Comment of the first direct down the property design and the simulated in all one design, or support and the simulated in the complete of the property of of the prope

The Jüdges, being ealled upon, said the question not been examined at all on the subject, or supported that the debate was adjourned.

THURSDAY, OCT. 19.

DEBATE ON EVIDENCE,
The Lord Chancellor stated the adjourned question, and the House decided that the question put to the witners (Maoni) by the Queen's Counsel should not be allowed.

The Queen's Counsel then stated, that the House had been decided against the question, mistaking the had decided against the question, mistaking the decided against the question, mistaking the support of the properties of the prop

protect of individuals by unjust inference.

The Lord Chancellor tought the Attorney-General completely right.

Lord Erskines—and then the should be able to prove against the conspirators, and then to proceed to the proof of it stop yield, in 1794, the Attorney-General or that day it may be a stop yield the construction of the projection of the conspirators, and then to proceed to the proof of it stop yield, in 1794, the Attorney-General or that day the Lord Chancellor tought be affected by it. On the trail of Hardy, in 1794, the Attorney-General or that day the Lord Chancellor or their is the Lord Chancellor of the individuals when the land to a state what he should be able to prove against the conspirators, and then to proceed to the proof of it step by step, without in every instance shewing the processor conscience of the projection of the evidence with the parties accused. If had turned out that the prosecutors could not connect the links, and a verdet of a capital and the consequence.

The Lord Chancellor of the links and a verdet of a capital and the professor of the links and a verdet of a capital and the professor of the links and a verdet of a capital and the professor of the links and a verdet of a capital and the professor of the links and a verdet of a capital and the professor of the projection was allowed; the evidence was allowed; t
