POLICE INTELLIGENCE.

BEROUGH-STREET,—THE SWINDLING CASE,—M. de
t, the young Frenchman whose case we detailed on Thursson Saturday placed at the Bar before H. M. DYER,
re-examination.

or re-examination:

*** a desultory conversation relative to the case of Mesersand Debenham, in which the latter Gentleman did sout inopposers the attendance of Lattice, of Paris, the case, as
of the conversation of the Control of Paris, the case, as
into, when it appeared that the Prisoner had represented
it into, when it appeared that the Prisoner and represented
to be the nephes of the Ex-Minister of France.

Woodland, on the part of the Prisoner, contended that there
would not be control of the control of the control of the control

**Aminister was unknown to the firm of Clark and Debenham,
sey had given him credit on the bill for \$90.; a deded to which,
the bare representation of this begin the nephes would con-

aus the offence, and they had the Ex-Minister present, it would makely that be could swear that the Prisoner might not be a fir. Pullips. of Regent-stered, hump manufactures, stated that the prisoner cause to him a short time since, and represented that had come from a Grutleman at Ulffon, who was a most excellent and the prisoner cause to him a short time since, and represented that had come from a Grutleman at Ulffon, who was a most excellent for his of-desent friend at Cliffon, but and the world perform himself, and gave him a note to receive the money at Clark Debenham's Mr. Pullips sent there, and they informed better than the prison of the prisoner of the prisoner was the prisoner which the prisoner was been dependently and the prisoner which the prisoner was been dependently and the prisoner was the prisoner was been dependently and the prisoner was then removed, and if there are no fresh cases prisoner than the prisoner was the prisoner was then removed, and if there are no fresh cases prisoner in Park-street, Growenor-square, was yesterdy a prisoner in Park-street, Growenor-square, was yesterdy a variety of a grower in Park-street, Growenor-square, was yesterdy a variety of a grower in Park-street, Growenor-square, was yesterdy a variety and the prisoner was the Machenia, about the was a fish access this back, at the sume time observed that an individual, anneed Power, was onsulting a papeared that an and Machenia, about the was a fish access that the streets were kept in ''. You'd was the first that he also the been paying in devotions at the street of the thrine of the best of the prison-lower.

not extent of his desire, possessions, and was gratified to the Table Befund and the Possession of the Befund and the Befund a

The parties are all Irish, and the circumstances which look on the unfortunate casterophe was the renouncing of the Roman Cathod Ras Coroner's Jury is to sit on the body, the examination was deterred till to-morrow.
